

I, Lisa Landis was a victim of Wanda  
Greene and her criminal behavior.  
Wanda misappropriated funds from  
public access (P.E.G.) to silence the  
people who were exposing the  
corruption in local government on June 7, 2011.  
Her criminal activities escalated until her  
retirement. Many of the elected officials  
were aware of her actions and didn't  
disagree when asked. She willfully harmed  
people by destroying our Community  
Media center. Those who had started  
small businesses and worked for  
others for their income. Where did  
the funding go? Other than to those  
who privileged themselves with an  
award winning Govt TV Channel.  
We the producers seek justice by  
asking for the maximum sentence to  
be given her. Even if it is not as  
great as the loss we suffered.
